INTRODUCING **proVent[®]** BAFFLE

The Versatile 48" Baffle for the Insulation Professional.

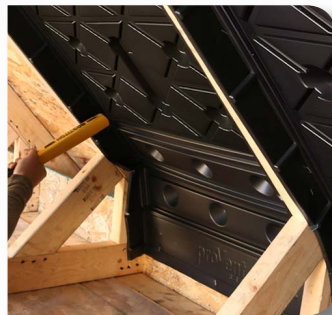

- Withstands heat and pressure of spray foam
- Versatile design adapts to varying heel heights
- Attaches to the truss, not just the roof deck
- Spans the entire width of the bay – 16" or 24" O.C.
- Will not absorb moisture or grow mold
- Made from High Impact Polystyrene
